All blades are hand ground and hardened to around RC 58-59.
Prices listed are for 440-C stainless steel blades. For 154-CM or
ATS-34 blades, add \$10.00 to these prices.

Hunter blades are given a matte-grey sandblasted finish,
and fillet blades receive a brushed satin finish.

Handles are crafted either from Dymondwood®, or from a
selection of exotic hardwoods, including pau ferro,
bloodwood, bubinga, and East Indian rosewood.

Each sporting knife comes fully sharpened and ready
for use, and includes a custom fitted sheath.
